

## Web Developer Python (m/f)

We are looking for a committed developer to implement sophisticated and user-friendly web applications and content management systems based on Python (Plone, Zope, Pyramid, Django).

### **Your Qualification**

We expect work experience or education in the fields of

- » developing advanced web-based solutions,
- » implementation of content management systems and web applications,
- » web centric programming languages (namely Python and JavaScript) and frameworks,
- » database systems (PostgreSQL, MySQL etc.).

Additional qualifications are welcome but not mandatory

- » experience with Plone, Zope, Pyramid, Django, Elastic Stack, ...
- » methods of modern software development,
- » configuration and setup of hosting environments (nginx, Apache etc.),
- » knowledge of standard based web development (HTML, CSS, JavaScript).

### **Personal Requirements**

- » personal commitment and willingness to learn,
- » team oriented work attitude and a high degree of personal responsibility,
- » high quality awareness,
- » perfect knowledge of either German or English,
- » EU citizenship or work permit for Austria.

Sorry, no agencies, no freelancers.

### **Our Offer**

- » a full-time job (38,5 hours),
- » working in a highly motivated team,
- » flexible working times and fair working conditions,
- » challenging web projects,
- » possibility to shape and influence projects and the company.

### **About Us**

WIENFLUSS ([www.wienfluss.net](http://www.wienfluss.net)) is developing web sites and web applications for well known clients since 2005. We are based in central Vienna near MuseumsQuartier. You will work in a multinational team of 12 people with different backgrounds and expertise. WIENFLUSS is one of the leading Austrian experts for accessible web solutions.

### **Payment**

Gross salary according to the Austrian IT-Kollektivvertrag 2015 (collective agreement for IT industry): at least 2.393 EUR per month (*ST1 Einstiegsstufe*) respectively 2.898 EUR per month (*ST1 Regelstufe*) for 38,5 hours per week, but can be higher depending on work experience and qualification. The salary will be paid 14 times a year.

### **Application**

We are looking for your application including qualification, work experience, education and references. Please indicate your salary expectations.

If you are not a citizen of the European Union please add information about your working permit.

Send your application in German or English to [jobs@wienfluss.net](mailto:jobs@wienfluss.net).

If we consider your application you will receive a questionnaire before we decide about an interview.
